

# Monte Vista Bike Rack Project Sponsorship Order Form

The Bike Rack Project is being spearheaded by the Optimistic Citizens Action Network a group of positive thinking citizens working to improve the quality of life here in Monte Vista. Our goal is to place artist created bike racks in convenient locations around Monte Vista, thereby providing locations to safely secure bikes and increase bike traffic with uniquely designed racks.

The bike racks are individually created by local artists. There will be no two alike, all are unique designs. The racks will be sold to sponsors in their raw metal state. Each sponsor can choose to display them as is or have a local artist of their choice paint and decorate the racks. Any additional artistic cost will be covered by the sponsor.

If the sponsor has a place on their property to place the bike rack, they will be responsible for securely mounting them at their location. There will be several spots throughout the city that are on city property. Sponsors can choose to locate their bike rack in one of these locations, in which case the City Public Works Department will handle the installation. Each bike rack will have a Bike License Plate with the sponsors and artists name.

Sponsorship Price: \$250.00 for each one of these unique artistic creations.

Date of Sponsor Order \_\_\_\_\_

Sponsors Name (First & Last) \_\_\_\_\_

Sponsors Business Name \_\_\_\_\_

Mailing Address \_\_\_\_\_

Email Address \_\_\_\_\_

Phone Number \_\_\_\_\_

Please complete the following information for the Bike Rack License Plate: How would you like to be listed?
